für Verkehr und
digitale Infrastruktur

REGULATION (EU) 2017/352

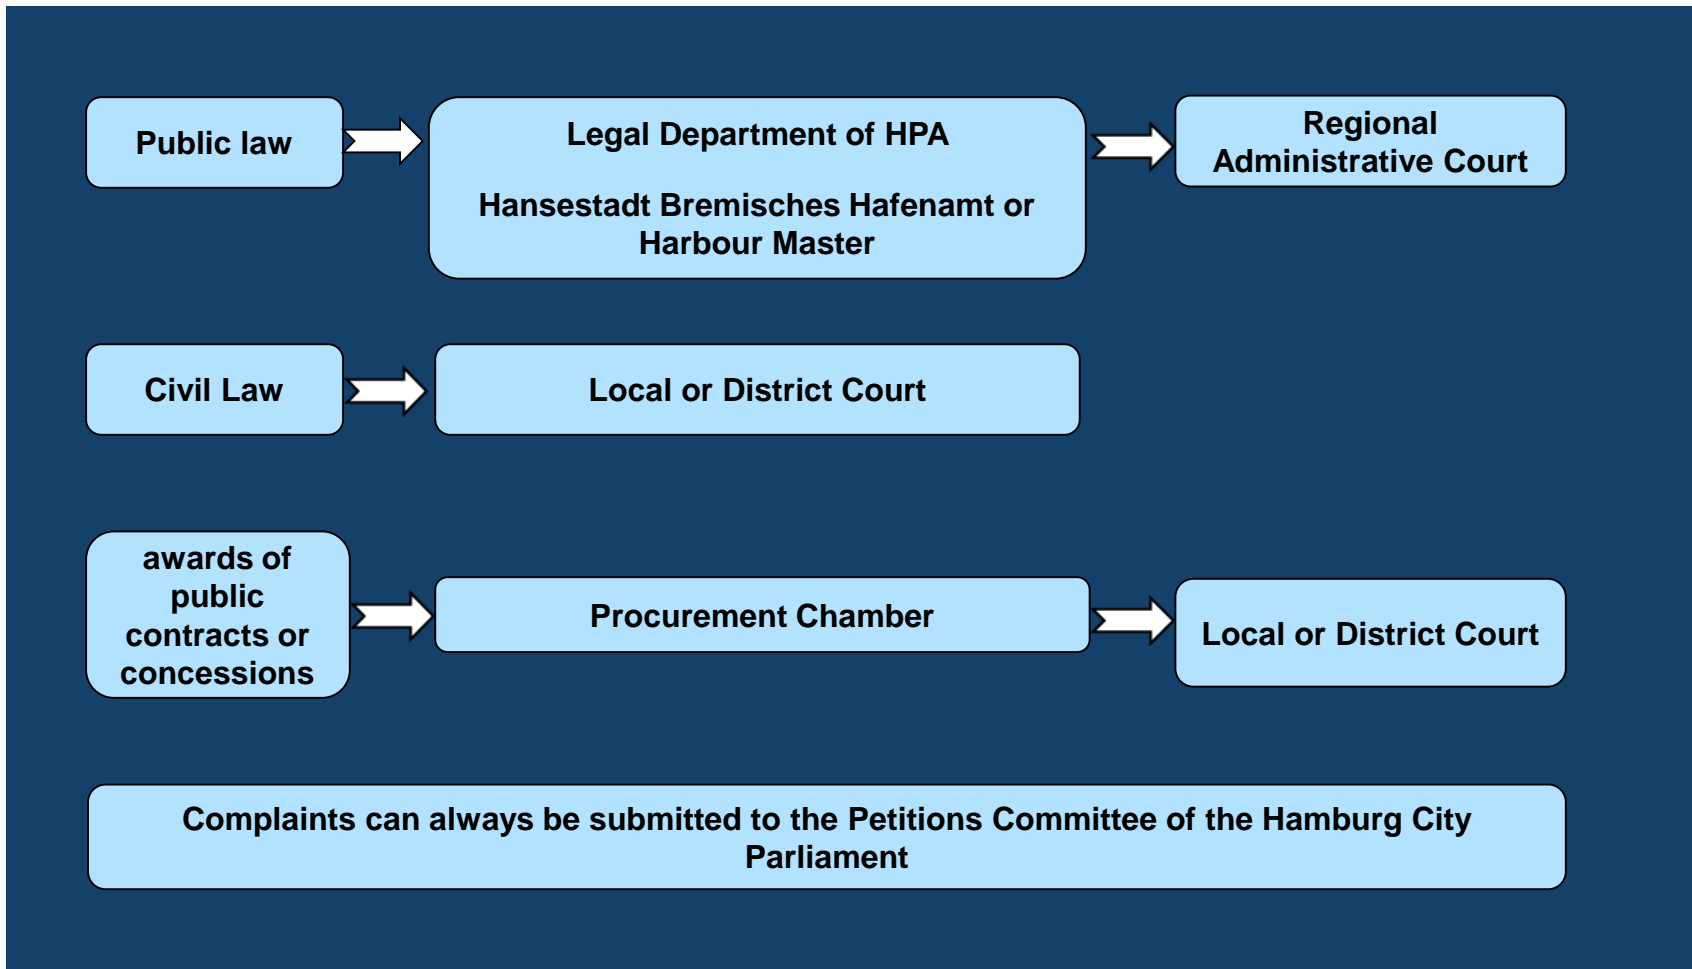

Implementation of Article 16 and Article 17 in Germany

Dr. Jan Dirks
Division WS 21

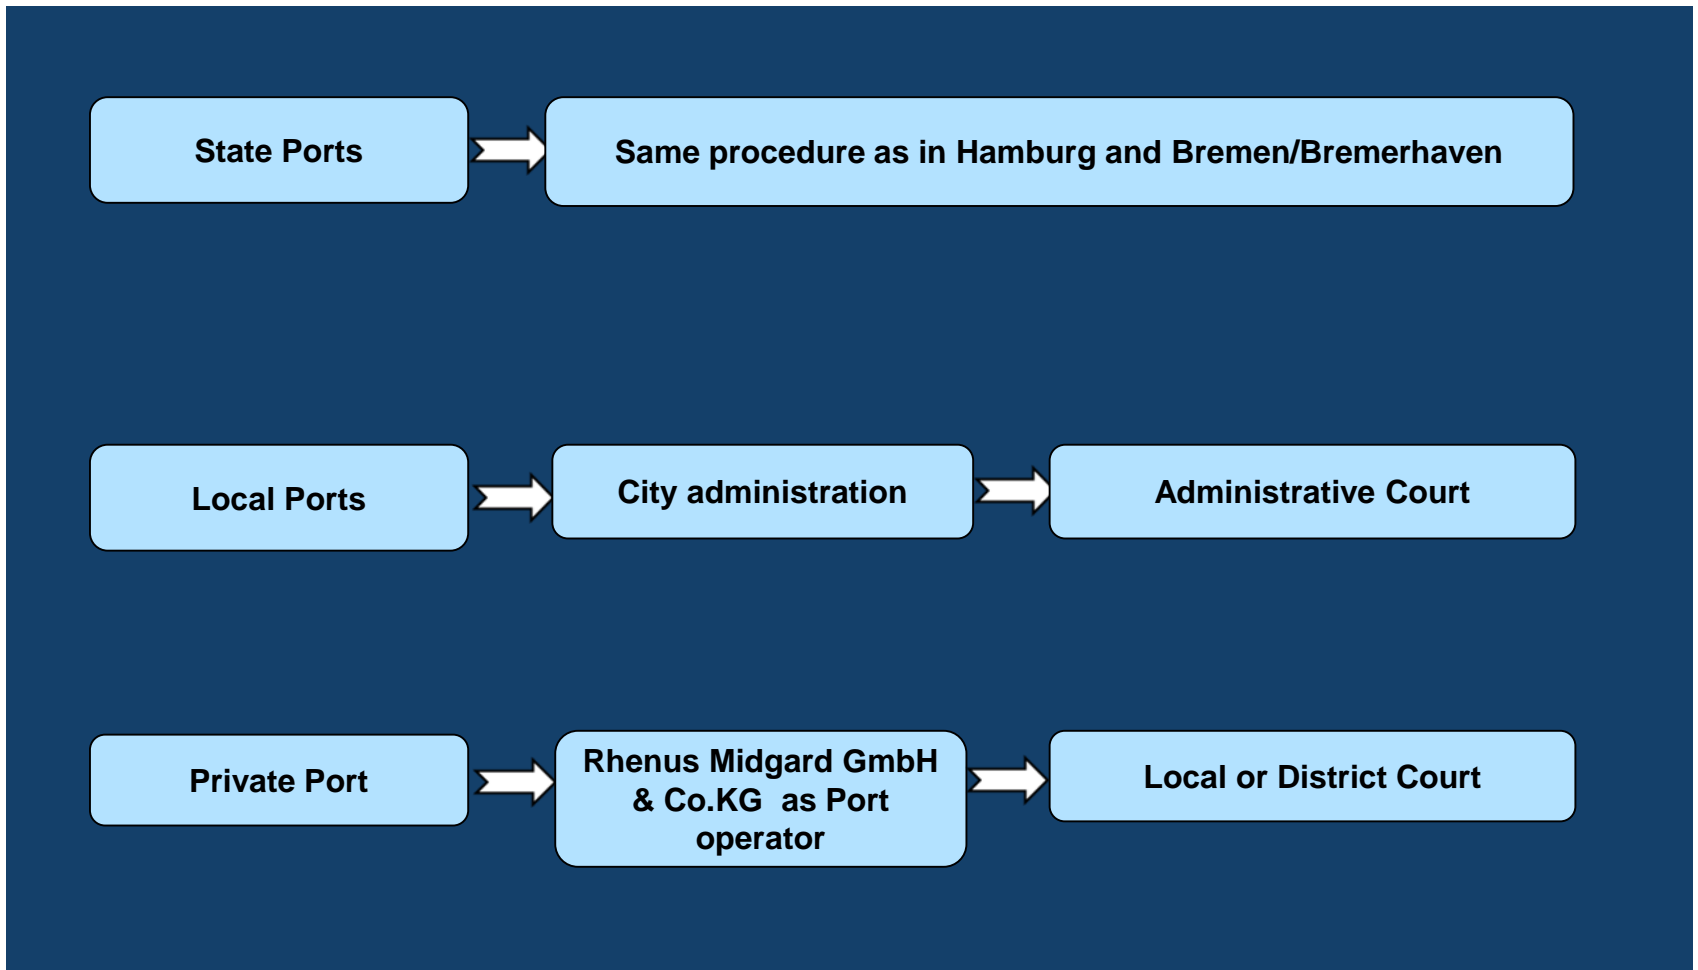

Basics of Art. 16

- Handling of complaints shall be functionally independent of any managing body of the port or providers of port services.
 - Member States shall ensure that there is effective functional separation between the handling of complaints and the ownership and management of ports, provision of port services and port use on the other hand.
 - Make binding decisions, subject to juridical review.
- *In all cases, the German legal system applies*

Hamburg / Bremen

Lower Saxony

Basics of Art. 17

- Port users and other relevant stakeholders shall be informed of the relevant authorities referred to in Articles 11(5), 12(3) and 13(6)
- Member States shall also inform the Commission of those authorities by 24 March 2019
- The Commission shall publish and regularly update such information on its website

Implementation in Germany

- The information for the port users and other relevant stakeholders are published on the respective homepages of the ports
- The German government will inform the Commission of those authorities prior to March 2019
- We will inform the Commission on any changes

Thank you very much for your kind attention!
